Exercise Waru - Notice to Retailers to Implement Media Appeals

Date:	5 May 2021								
Time:	11:30								
Notice Number:	CC-062								
Notice Type:	Retailers to Implement Media Appeals								
Notice Issued to:	Retailers								
Notice Copied to:	Firstgas TSO Stakeholders listed in Information Guide								
Demand Curtailment Status:	The CCO has determined that curtailment of curtailment bands 0 to 6 is insufficient to stabilise the pressure in the affected parts of the transmission system.								
CCO Instruction to Retailers:	Commence media appeals for domestic consumers to reduce their gas usage, in accordance with the Retailer Curtailment Plan (Regulation 43(4)).								
Event that caused Critical Contingency:	Damage to the First Gas South Pipeline north of Hawera resulting in a significant gas escape.								
Details of Event resolution:	The First Gas South Pipeline has been isolated between Kapuni Gas Treatment Plant and Hawera Delivery Point. Field crews have been mobilised to site and repairs are estimated to take 48 hours. Demand curtailment instructions have been issued for Band 6 consumers in the affected system to stabilise the transmission system downstream of the isolated section while the repairs are carried out.								
CCO determination on Regional Critical Contingency Status:	Regional								
Areas of transmission system affected:	First Gas South Pipeline south of Kapuni.
